I declare to you  
that my whole life,

We hope this is not Mr Obama's policy toward \*all\* isolated rulers who live in heavily secured mansions.

We hope our new peasant granddaughter-in-law knows she has three years to produce a male heir or she will be beheaded.

# You are a true Bond-girl...

We were amazed by your appearance in the Bond-clip at the opening ceremony of the 2012 Olympic Games.

# You are not amused...

You've had your fair share of hardship.

We have shared your mishaps and happiness throughout the years. Let us assure, good times lie ahead.

We see you as a member  
of our family...

We respect your  
passion about Der-  
by and corgis....

...your car-maintenace course during World War II and your interest in James Bond...

We honour your achievements as  
a head of state through 61 years.

We have the honour to  
be the obedient servants in  
Estonia...

# Long live the Queen

Thank you!
